T.E. Jayarama Aivar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

With reference to your letter No.7/Camp dated 2nd October 1922, forwarding for disposal certain files under the schedule of powers to be exercised by the Deputy Commissioners, Muzrai Commissioner and the Government in Muzrai matters, I have the honor to retransmit herewith the file of papers relating to the endowment of Mr. A. Anniah Pandit for conduct of certain services in the Sri Srikanteswaraswami temple at Nanjangud and to state as follows:-

2. In 1895, Mr. Anniah Pandit offered a sum of Rs.1,000/- as a pudivat endowment and requested that 20 acres of wet land at an upset price of Rs.50/- per acre may be purchased, the income derived therefrom being utilized for feeding in the Sivarcota attached to the temple and the balance, if any, being spent for feeding during the annual Rathotsava. The acceptance of the endowment and its utilization towards the upset price of the lands granted to the temple under the Hullahalli channel in the Nanjangud Taluk were sanctioned in Government Order No.1651-2/R.604 dated 8th August 1895. Though 122 acres 14 guntas of land were sanctioned, only 63 acres (Heggadahalli 55 acres 32 guntas, Kallahalli 7 acres 8 guntas) were acquired, the remaining extent being found unfit for wet cultivation or not being available. To make up the deficiency, lands in other places were acquired. Out of the lands thus acquired under the orders of the Deputy Commissioner 16 acres 22 guntas of land in Immavu and Mullur villages were

were assigned for the sevartha of Mr. Anniah Pandit. As stipulated by the donor himself, 12 seers of rice per diem is utilized for feeding in the Sivakoota out of the produce of the land, and the balance of produce, if any, spent for feeding on the occasion of the Rathotsava.

3. Mr. Anniah Pandit has been repeatedly requesting that, as the full extent of 20 acres of land for the contribution of Rs.1,000/- paid by him has not been assigned for his Sevartha, the balance of 3 acres 18 guntas out of the lands in Heggadahalli village or the proportionate income now derived on the entire extent of land till after the expiry of the lease granted to Sri Raghavendraswami Matha be made over to him. Out of the additional income accruing as above, Mr. Anniah Pandit proposed to institute certain new services not originally intended. His proposal, however, had the effect of operating adversely on the resources of the temple to the extent to which funds would be thus diverted.

4. A report in the matter having been called for, the Deputy Commissioner agreeding with the views of the Sub Division Officer and Amildar, recommended that 3 acres 18 guntas land in Heggadahalli out of 34 acres still lying banjar may be granted to Mr. Anniah Pandit in view of the fact that so far as the temple was concerned, its position will practically be the same even after the grant and the additional income will go to sevas in the temple but in the name of the donor.

5. I had a discussion with Mr. Anniah Pandit in the matter at Mysore on the 10th instant and on my explaining to him that owing to the great rise in the value of lands, no additional grant of -- valuable lands can now be made to him at the formerly sanctioned rate of Rs.50/- per acre, and that it is not also possible to make over to him for the institution of any new services, any portion of the Heggadahalli lands belonging to the temple without affecting the resources of the institution. He has stated that he would be satisfied if in lieu of the additional grant of 3 acres 18 guntas of land claimed by him, he is given credit for 15 seers rice a day instead of 12 seers as is done now for Sivakoota feeding, out of the income

income accruing from the Heggadahalli lands belonging to the temple on account of his endowment.

6. In the revised scale of temple expenditure, there is a provision of Rs.325/- a month for Sivakoota expenses which includes Mr. Anniah Pandit's contribution of 12 seers a day and if his present requestion is sanctioned, it will only mean that his contribution will be 15 seers a day instead of 12 seers as it is now, and that the balance will be treated as the grant from the temple. Thus it is only a matter of book adjustment, and so far as the temple is concerned, its financial position will be practically the same and there will be no additional burden thrown on its resources. I beg therefore to recommend that an additional grant of 3 seers of rice per day - making a total of 15 seers - may be treated as Mr.Anniah Pandit's contribution and endowment to the Sivakoota feeding.

The connected records are herewith sent for reference and return.

I have the honor to be,

S i r,

Your most obedient servant,

Krishnamurthy
